NEW FEATURES

- Set-up and Preferences Menu
 - The **Set-up > Setup Divisions / Region Names** now supports standard Multi-Class Divisions S1 to S39, SB1 to SB39, and SM1 to SM39. You can also limit the highest class to any number from 14 to 39.

- **Events Menu**

- In **Events > Add or Edit Events**, you can now configure Meet Manager to automatically add a **Multi-Age Best of the Rest Final** heat to the event.
- The **Events** browser now includes an **Event Note** column.
- In the **Events > Sessions > SESSION SCHEDULE > Event Interval** column, you can now enter an event interval in seconds which overrides the default session-level interval.
- In **Events > Setup and Use Records**, when checking for broken records, Meet Manager now checks split results.

- Athletes Menu

- In the **Athletes > Comp#** menu, you can now order athletes by age by selecting the **Order by Athlete age** check box.
- In the **Athletes > Transfer** menu, you can now batch transfer all athletes in one team to another team.

- Run Screen

- In **Run > Interfaces > Scoreboard > Customize**, you can now select to use **Team Abbreviations**.
- When entering results for a meet, you can now enter **Over the Time Limit (OTL)** results.

- Reports Menu

- In the **Reports > Athlete Rosters Report**, you can now include only athletes not on a relay by selecting the **No Relay Athletes Only** radio button.
- In the **Reports > Results Report**, you can now include the actual time for DQ results by selecting the **DQ Results** check box.
- In the **Reports > Meet Program** report > **Columns / Formats** tab, you can now select to print **All Heats, Odd Heats Only** or **Even Heats Only**.
- In the **Reports > Meet Program** report > **Include in Meet Program**, you can now select to **Include session break**.
- In the **Reports > Meet Summary Report > Report Type / Format / Options** tab, you can now list all athletes who swam slower in the meet than their seed time by selecting the new **Slower than Seed Time** option.

- Labels Menu

- In **Labels > Award Labels**, you can now select the **Use JD Place** check box to use places by JD assignment instead of by swimmers' times.
